I am directed to invite a reference to this Ministry's letter No.16/38/47-Police (Pt.IV) dated the 15th June, 1948, regarding submission of census returns of various ordnance stores to the Army Head Quarters in the revised form. It has been noticed that some provinces send more than one return in respect of the different units in their police forces. In order to avoid any overlapping or duplication, the Government of India consider that each Province should submit a single consolidated return covering all branches in the police force each quarter. I am therefore to request that in future the returns of the various Police units in the service should be consolidated before forwarding them to this Ministry.
